1. I am beginning and I have begun, as no other one in history has done. I foraged the way, not but I have come through the "forest", not; and I see the "trees", not as men walking but as Christ I see all as all are walking Christs not limited to this planet -'s regime and how it plants people here, not; but receives them. But who "planted them" here? Those of you us here that "seem" to be here?

2. This is Theodore Cottingham December 17, 2008 at 2:26 AM.

3. Our educational system complete, is it? It is complete in MY MIND, complete not in yours, but whose is yours and where mine is is completeness of joy and Joy Bells School rings now the bells of me.

4. And saint chiming status, not; but what now all is coming into me now is, if they want me, is me status; enough to forfeit food, not; but everything. Else that there is, or is there anything to else, or Elsa's or Elmo's existence really? And where is this going and where have I come from? Where have "they" come from, and going to WHERE when they "leave here?", on their "death journey?" or "life journey"?
5. Or who's taking a "journey" anywhere? I am. Taking many with me, through the door now, of life light and happiness. And the pursuit of kingship, not; but the surrender to be it who I am is.

6. The teacher instructor no more, I resigned have (1) and I have given the place'ship, that place'ship to the most high, for THAT PLACE is HIS at the HEAD OF THE TABLE, for that is HIS HEAD that WE are RAISING and into its place shall be nothing else, and nothing else matters.

7. For I shall not be matter again, thank you maam, thank you sir, thank you all - for all you have done for me and others who are me or notme; that you gave to yourself not, but you gave to them a love lovingly that required nothing in return, but simply shared love, gave love that I am.
8. That freely runs out my mouth, not; but I create worlds with my words that I speak. What are you creating with yours? And do you know?, that from which you were "hewn"? Looking up? Looking up? Looking up.

9. I am LOOKING UP MANY things now and do so GLEEFULLY! With Glee Clubs at my disposal, not; but I have amassed a great fortune, not; but I gave up a

great fortunate one, not; I gave up not you, and you are the most fortunate of all reading this, aren't you? For you will know the Christ are you and those around you aren't the Christ not, for **all are the Christ on this planet and more!** Aren't they? Yes and amen. Yes and amen. Yes, and amen.

10. I love you all and I go now to new places, new ways do I travel, and kingly-ize I do to many who let me, for I give them my eyes, not; or do I? Or do I I-ize them with my ize-ment, not; or do I simply let love flow between me and "them" to know that I am myself with them, for they are me. I see them all as me, not as other, not as Elsa or Elmo or Elmer Gantry's or whatever applied terms that you would like to use for notme's status of those you "think" are in the world beside you, about you, around you; that are amassing what?

11. Becoming a massless I am, and I shall never attend Mass again, not; but in Whole New Ways now out of captivity I will lead all who let me lead them to be the King of Kings that Kings all to be the King of Kings that they are, and **there is only one and that is all of us who one are surrendered to be** so at the table with Christs being Christ, the Christ I am and one head, one headed, and no mitered head will wear my head, will it? Or will you be my head with all your "right angles" in it, or what is that about? What is that about? What is that about?

12. Sore'ing you where?, or soaring you where? And how will I know later whether this soaring is spelled sore'ing or soaring?, or how will you know where you're from and why you're here?

13. I have given you these words to establish Israel, and Israel you are is your name and where you're from and going to. I am is now revealed in them these words that yours are given to you "free and clear" of all sorrow, and THE DEED I HAVE GIVEN YOU, ALL OF YOU, TO THE LAND THAT'S MINE. The lands that are mine are yours, for if you will come into them, you will be me; you will see me and prosper in ways not imaginable by man's mind, mankind's minds, and womankind's minds and what kind of BODY are you in? A suit of flesh? Lush? Lush lands going to?, or barren ones?, bearing crops? or taking them what, food?, of another "lifetime"?

14. A life of sorrows, not now; for I stand The Reaper, not; or do I? Do I stand the planter, or the reaper, or BOTH at the same time? Are one? Who is one, and how many will it take to count a light-bulb, not; but what is coming ON in your head? A New Light? Revelation? Revolution! Revelation? Revolution Revelation? Or Revelation Revolution? Or what is REVOLTING and revolving now NOT about around your heads?

15. And what now have you SEEN in these words and what I have shared so freely, rivering you the grace that all mankind "approves", not; or what is

approval-ville, not; but what do you now see CLEAR as GLASS coming out of your mouth being the clear ones? Glass seas now that I LIVE ON?

16. I love you all to see a completely new paradigm of life, not; but a life not different than mine, for I walk the Isle of Planets. What do you walk? Where do you walk? Where did you WALK before "this life"? Or do you have one here? Or do you just think you do? And where are you thinking and where is your thinker and who gave it, that, to you that you think you think with? And what are you thinking, sorrows' thoughts? And creating worlds where with your Thinker? That creates who where? You to be here while your "body" is "there"? Or do you know the difference, or will you care if I tell you, or will you arrogance insist on and continue in your arrogant ways of religion, religion's stance that all should be equal, not; but tearful and loving tiers of "government" and bureaucratical nightmares that establish haves and have-nots and "half breeds" of half man, half priest; half God, not; but all that are none.
17. Or one? One has arisen that will set the record STRAIGHT! The record gap'd in my DNA will no longer exist in your head or mine, for mine head will be at the Head of The Table and captivity will no longer enshroud my blessing in a skull system, a skullduggery system, that skull dugs and digs around in your brain, for pocket marks and pock marks that pop all around your heads thinking thought thoughts, of "another land?"

18. I love you all to be so, not wise, not. But wise in your OWN EYES, not; do you have any that can see ANYTHING? ANYWHERE?

19. And what am I talking about, discussing, teaching about, now? And what is reality and have you learned now that you cannot exist in My School without each other (2) and knowing each other's name? And fortitude, not; do you have any, or are you "so fragile" still that you know not your name or existence, where it is, or having any, do you, care to find out about? Or will you remain in pews suffering and demising your own kingship and your eyes dim and dimming them more so with your decision of arrogance, seeking mankindship apart from me?

20. I love you all. I go to a new place, with new peoples I do new things and I speak to the *OLD* and the young. I speak to the *OLD* who are ever new and YOUTH they have. And captivity they know nothing of, not; for they have come through it, just like I am, not; but I am coming through a New Way that I have given you in these words that love you that I love, that I love that you love them, and be them and remorseful not be about the past but coming unto me simply know that you are mine where I am, and ye be also me doing what I do and see, will *YOU* please?

21. Please yourself, not by being me, not; but being one. Who are we? One. I AM. You. Me. Are we not the one we are, were, and "shall be" "coming"? Are we

here? Are we EACH OTHER and ACTUALLY knowing it now, WE ARE! IN SCHOOL!

22. Not in captivity's clasp again, but classing us with the class of sorrow's class clasping us at our throats, and clasping not our words, but giving us theirs and wanting only theirs to be "regurgitated" to them so they can value are regurgitationship, see all that ending.

23. **And I ESTABLISH NEW EDUCATIONAL SYSTEMS EVERYWHERE and THE BASIS FOR MY EDUCATIONAL SYSTEM IS MY VOICE that I lead all out of sorrow with**, and establish Israel here with these words known; and GIVEN WINGS now to all in captivity who will hear my words and be them, will FLY OUT with ME to new lands, creating them, here and there. Here and There School that "their school" is, not; but My School shall never be in captivity again, not; but it will be "in it" but not of it, and it will establish the educational systems that systematize my system that brings my voice to the forefront. Of "o're", not; but that which leads all out. To the grave, not; but out from it and now my kingship will be blessed, and the blessing of Melchizedek kingship will be me and I lead. All out of sorrow now will come for they will be notme not, they will be me. Reading my newspapers, not; reading my news! And I bring the NEWS and NEWSPAPERS I make and bring forth, that not are like yours, but I read forth the Canvas of One now to the Slaves in Enslavement-ville and I bring forth the slaves as Kings -- that are all One King: The King of Kings, in King of Kings Schools that King the Kings that are all of you that one are -- me again! Me again in Israel, establishing it, WEARING IT ON MY HEAD, taking ME to the HEAD OF THE TABLE! That now, I see all "around me", not; I take all to THE HEAD who are me, and I seat them at THE HEAD! You see -- there is only One! And that's -- me! All of you, are me, who surrender to be sewed not again by man's theories of "me" being sewn into "somewhere else" at a future later date "coming" in someone else and doing some one else's business.

24. Or later. Or NOW, shall we be one? The one our "system" is, not; but our voice is that are one with my father our father that one is.

25. Letting us all be one, will YOU now CAPITIVITY-ize yourself no longer, but come into the Freedom School and coming unto me be my rivering of life "instrument" that -izes not your brain waving mechanisms again to be in captivity's clasp and ionizing things around you, like as what you have done in the past, or are still doing? What are you doing where, reading what? Lazily along, merrily doing what? Or seriously studying my words (3) and coming into them daily nightly fortituding yourself with the tenacity of one's love that brings all - your love, your loves to them that one are, that singly focus on the love now. "Spreading it around" as in the past with instruments utility vehicles of only me using, or understanding anything about these things or phrases that I have given you these six years?

26. Or "spreading it around"? Or BEING IT to all lands and all sorrowers, will you be The Complete Package? Will you COMPLETE ME, in SCHOOL? Where ELSE will you lead this, learn this, where you are leading leaders and being the leader of the leaders in FOLLOWERSHIP SCHOOL THAT TEACHES YOU HOW TO FOLLOW TO BE THE LEADER I AM?

27. And leadership "theory"? Or practice? Makes perfect, not; or does it? Are you writing my papers and submitting them to others?; for their grades, not; to be yours, not; but what are you "grading" in your minds of others, not; but what are you GIVING? The way, the ways, the papers that are yours to others so freely that river your graces and loves and mercies that boundless are, and numerical aren't, but endless infinity'd, the redeemers all that redeem all thoughts?

28. And where are you THINKING about these things now, and how, where, are you in the real world at all? Looking up, what where? Where is the Real World? And where are you from and visiting where who now? Where is your lands?, and what are you doing with them?, hyphenating them with someone else's who overlord'd your brains with overlord'd Brains-not School?

29. What are you schooling where, creating who? Create me, creating me, Creators School rising as never aforementioned LIKE THIS! I love you all. Be me. And in sorrows clasp class no more each other with sorrow's standards of comparison, competition, competing for the ones blessing, the one blessing, or yours, or your grade or performance thought on someone's test, someone else's test or grading system, grading ingrates or gracious ones thought. Be OUT of that grading system that grades all as sorrowers and cheaters and expects that cheating will take place, for there will be NO CHEATING in My School for integrity will reign and integrity will permeate all my permeaters who bring the sorrow sorrowers out of THEIR STATE of captivity, and no one will know my word, not; for ALL will know my word and of my words, and of being in them they will be, and they will comb, and pocket not, but shirt-pocket I will make many materials for and give "them" many ways to know me my words and carry them and memorize them and memorizing many things; "about them", not; or will I make many; "materialistic demands", not; but I will make many lovingly remarks. And remade hashmarks, not; but hashmarking things not up with the demands of sorrows clasping mechanistic mechanizing systems, I bring you NEW ONES who love me who SIMPLIFY many things and knowing the TRUTH that I am them and we are one and WHO CARE TO LEARN, MY WAYS, MY WAYS, MY WAY.

30. And highways establishing many far lands in and to and going from there to there and seamless being with "their mind", not; or are we, will we, be one with the Masters Table, of the not few who reign with love making all one who one really are. Being in the Real Land of Peace? Melchizedek is and I am him, I are him who one is, who us are genderless and sorrowers not in sorrow's lands again except to eradicate the sorrow from it, that I am my lands in them, not knowing it.

31. I was "born here" and thought it was a "place" that "I was" on the way to "something else" and "somewhere else" I would become something "happier". For I lived my life as a "good life", not; or did I? Does I? Do I what? How many of them are me? Armies or navy's or air forces or military marines, marineship, not; or are there vast multitudes of sorrowers waiting on Your Words oh sorrower who know not your captivity, but Creator are, and never have been told or taught? Or led you out? Or will you LEAD YOU OUT? Who is leading who?

32. Who's giving you the bull of their system, not; but whose bull will you eat no more, but whose regal system of light, will you "inject" into "your system", not; but coming unto mine being the regalest of all? And ALL being the regalest of all who light one are. Energy of the sun, not; but mine. I am FATHER ONE, FORCE FIELD ONE, and my "vectors" inject none with sorrow's ions and ion'age apart from me, for I know sorrow and I've come out, and I love lift the lovers who lift the will-be-lovers who will fortitude not sorrow in their minds again creating things they never knew about or were not taught. For now they are "talked about", not; they are seen as competition's competitors, not; they are seen as Christ!!! Ad infinitum! For I see all as Christ and you will be! Or you will nonexistent be, the nonexistent one, having not had existence in the real world at all. Have you?

33. Or have you going there, fallen out? Of grace? Of mercy? Or are you giving grace and mercy to all now, who come unto me? Their name, not; their *Love!* And who can Rebecca be? And where is our love? And have you studied the "three sisters"? Doctrine, not; but what am I making out of a molehill, not; but how do I work? How do I KNOW these things? I surrender, I resigned (1), and I would now "instruct thee" not; for I am instructs you and I am I am through you in me and me in me through you, and **us to each other know now must each other in ways that we have not before.** And cataclysmic to all sorrow we must come into the light and being it, our leadership reigns in horror land for most, not; but all who want only to instill horror in others by competition's methods of sorrowing each other and sorrows captivating on and into captivity's methods. Captivating me no more with ITS THOUGHTS of another world from or to going where when or not, I come out of that and giving now my love to a "system", not; but a Love Word System that teaches me all things that all things is within me, not; the Christ is and I am that Christ that one is within me and I am not Else or Elmo again.

34. I love you all to be Christ, in class. Clasping at no other methods or ways of not me again. But giving me of each other, come into "your ways" school, not; but My Ways School that teach you my ways, my thoughts, in the real world, being the real Christ, ME! ME my world'd one, with my world, my vocabulary, my linkage system, and ***Our Educational System*** *coming forth WITH EACH OTHER THAT* ***WE*** *DEVELOP AS* ***LEADERS****!* And sorrowland no more, not; but "working" our way out of it, not; but *LEADING*!

35. Leading institutionary devices, not; but that which individualizes, not; but know that amassing series of instruments that count only sorrow's tude marks and marking attitudes of sorrows and benchmarks of "the mind" gets nowhere out of Sorrow. But "take me for example", not; but **"ensamples" studying or looking up or writing about?** Or who keeps track of these things, not; who cares about tracking anything anymore if nothing exists? But in sorrowland, seeing all as is, not; or do I?, pull the wool over your eyes, not; but who has?, and dimmed them shut to the real world that I am in that I exist throughout coastlands far and planets never seen, never imagined.

36. Systems of discovery giving you now I will, I do through these words in you who will be my light will see my light entering it and being the door of it to others now being me, the Christ one whole healed and well!

37. I have given you many things, for your pondering, not; for your ACTION! For your taking action on them, in them, and writing them now to others, shall we you? Yes! Exclamatorily and explanatorily I explain all things now as I "take my pen" and "lift it" to others now, and give them the "ink of one" that loves them deeply dearly and unendingly being the instructor I AM! And I AM ALL of YOU who will be me surrendered to be in **MY SYSTEM OF EDUCATIONAL SYSTEMS THAT INSTRUCT ME TO BE THE LEADER I AM**, of it, and **all who are one surrendered to be one surrendered to all** in all being all the Christ I am teaching all that I am the leader of all in the lands of sorrow that once were Sorrow's lands, but now are no longer sorrower's lands, for **I am teaching all how to lead all out of the "priesthood" of sorrowers-ville to be the priest I am, of Melchizedek lands Melchizedek'd and Melchizedek** sorrowing no one, but **leading all to the headship of the Table Of One. I AM. In love with you all.** Amen.

38. Know me, and love me, for I sure love you.

39. I instruct you many more ways now, and I give you many commands, not; but invitations now I bring from you to you to me. Or do I do things completely differently, now? Not always, but I bring you many invitations from their worlds, where they knew nothing of you, not; for they've read your words, and they know me exist as Christ, but Christ they do not know me in fullness as fullness of my word that birthed is, that got birthed, that birthed the birther that births now the "clubs" of me, not; but the continuing continuity of one consistent Christ life I am, and in and far I go to now, and "whore them", not; but I do bow to them in regal Kingship take to them to let them bow to me, not; or do I? Or do we bow to; each other's demands, not; but humility in humility? Bounding sorrow no more by sorrow's demands and ignorance apathetically operating in the kingship of whore's thoughts, but coming unto mine, with my mind being whole healed complete and well now, will you now all of you?

40. I love you all to be called to the head of the table now and recognized for who you are, what you are, and where you are, taking deliverance, captives schools, not; but delivering captivity's schools no longer to the slaves enslaved in devices of governments not mine of mine heart, but coming unto the systems of man, not; but I "replace all that", not; but I create!

41. I create the real deal, the real place, the real places in me of me and I operate in them, reality being in me and me in it and I am one with my father in being the real now.

42. Reality shored not upon another, but bringing all into captivity's lands, not; but surrendering to be the leader, the leaders of not few, will you now come unto your Leadership School that mine is that teaches Me how to be you and you me that one are is the one I am, **the Christ Complete School now teaching you how to be who you really are, where you are leading all out of sorrow and establishing Israel correctly now past borders of metes and bounds**?

43. I love you all. Teach each other, what YOU KNOW, not; but what I know -- and I know what I've said and I know what I've given you through these words, and in these words now will you come and coming now write; others words, not; but mine! Mine I will write through you - to each other and each other being the one that I am will you recognize my ways that I teach each other through you through me that I one are in my system that capitalizes not on educational standards that render you unequals, but as equals being me! As equals being me I teach thee that thou art me and I am the teacher that thou art within me and I are within you, and we one are all of us now, and knowing *WE MUST KNOW* each other; and "friendly" be, not; but *friends deeply loving each other in knowing our educational system;* sucks the dog's breath of religion and its government of schoolage of notme's to retain betain and contain only the mind of man accelerating itself and its own standards of not school mine, ends.

44. As it was, no more shall be. But as I am, now coming I am in every one who surrenders to be me who I am is! Now - I am established and I have begun the beginning is now and all things are different than "was".

45. I love you all and I give you new graces and mercies to continue in your continuity of carnalage, not; and carnage of man and thought ends, for I "crack all that up", not; I crush it, not; I demise it not in my eyes or yours, I reveal the truth. **I simply reveal the truth. I became it and I walk it and I speak it and I write it far and wide in publications many and you do also if you are me.**

46. See what I have said and **the literacy rate skyrockets now** for all will be in these words and wanting them and listening in them to them by MANY MEANS now and radios TVs waves will emit me, and short waves and broadband and

narrowbands; and all bands will be broken and I will break open everything and I will cast out the imposters who thought they were me or something other than me that let me not reign in light and love to each other with each other being in each other the one that I am, solely and lovely in love with you all of you to be me who I am -- the King of light love and happiness that I provide all in everything at my table! And my whores be no more that whore with your thought of another's, but coming into mine mind, be the purest of all, the head at my table, that are all of you one residing in my lands all and being it Israel published far and wide, your name, Israel -- all of me be! I AM. I love you all. Amen.

47. Study this well and the words that I have given; one month?, two months? What have I given you, words of a lifetime? Words of life that capitalize on me? or yours, are you making one, or do you know, or are you now in the real word world, the Real Word School that takes your words and lets Creators be developed by the Creator that creates all to be the Creator I am, and there is only one -- be me, please and thank you.

48. Starting many new courses new ways with ones who are not afraid to write and be; competitive not, but completely surrendering unto my ways, my love being my love to each other in ways never imagined now complete me all of you who will, and lovingly be so loving and lovingly love each other more, and lay my lives down for each other that I am you are, so that we will know and understand where we are, and be not cataclysmia-ized and compressed by another into another's world again.

49. Be the leaders out of sorrow and be me mapping your way OUT of sorrow's schools and lands, and let us all be one, the Explorer Adventurer reigns! In horror not, but love, loving others, me's to me's be, as we are -- **one again home at father's table, Melchizedek being and serving love, the new wine, the new joys of love.** Taking our fill, not; but laying our lives down for each other, knowing each other, is me. Amen.

50. This is Theodore Cottingham loving you all at 3:34 AM. Thank you. Thank you thank you thank you.
